

Supreme National Champion Awards

The NSSHA offers a Supreme National Champion program for NSSHA registered horses. These awards are based on wins at NSSHA sanctioned or affiliated shows. There are five categories in the Supreme National Champion program. The categories are Bronze National Champion (10 blue ribbons), Silver National Champion (25 blue ribbons), Golden National Champion (50 blue ribbons), Platinum National Champion (75 blue ribbons), and Diamond National Champion (100 blue ribbons). The NSSHA will recognize the Supreme Champions at the Annual Awards Banquet, which is held in January each year.

To obtain a title, the proceeding process must be followed:

1. It is the responsibility of the owner of the horse to keep track of the history of the winning blues for your horse.
2. The wins must come from affiliated or sanctioned NSSHA shows.
3. The horse must be registered with the NSSHA and must be living (no posthumous Supreme National Champion Awards will be presented).
4. The wins must be submitted to the NSSHA office by November 15th in order for the victory total to be confirmed and the award presented at the Annual Awards Banquet.
5. The owner must keep a record of the wins by logging the following information regarding the wins – name of show, year of show, class number. This information must be supplied to NSSHA for the victory total to be confirmed.
6. Submit the following form, along with a \$15.00 processing fee. A subsequent form and \$15.00 processing must be submitted for each category. Example: if you submitted a form in 2002 for the Bronze National Champion and your horse earned 15 more blue ribbons during the 2003 show season, you must submit another form and \$15.00 processing fee to obtain the Silver National Champion Award.
